Madrid

The unique professional culture of Madrid offers a welcoming setting for an internship. Madrid is the capital of the Spanish-speaking business world in Europe and EUSA works with some of the top organizations in each industry sector. With the appropriate Spanish language ability, students will flourish in their Madrid placement.

“I love that I was able to be involved in so many different aspects of the company. It was a fantastic learning experience…I can take the skills I learned and apply them to every other company I work for.”

– A freshman, University of Southern California, intern at bodabook.com

“This was a very rewarding internship. The environment was professional and productive, yet warm and inclusive…it is a once in a lifetime opportunity…”

– A junior, Villanova University, intern at Hospital Infantil Niño Jesús
